Sub:- Compassionate gratuity - Late Dr. (Smt.) S.Thomas, Assistant Surgeon - Grant to daughter -

---

I forward herewith an application from Miss L.A.Thomas, daughter of late Dr. (Smt.) S.Thomas, assistant surgeon, for the grant of compassionate gratuity together with her descriptive roll and the report of the Revenue authorities regarding the pecuniary circumstances of the family of the deceased Government servant.

Late Dr. Thomas entered service on 1-6-1929 and died of heart failure on 22-9-1953 after a service of 24 years.

It may be seen from the report of the Revenue Authorities tha the deceased Medical Officer had left behind her husband, a son and a daughter. The son and daughter, who are majors are the legal heirs to the deceased Medical Officer. The son Sri E.Thomas is undergoing House Surgeoncy course in the Govt. hospital for Women and Children, Madras, an he has given his consent to grant the gratuity to his sister, the applicant. Miss L.A.Thomas (daughter) is undergoing MBBS. course in the Christian Medical College, Vellore. The deceased has not left any property either movable or immovable. The deceased had insured her life but the policy is reported to have matured long before her death and that the exact amount of the insurance policy is not known to her legal heirs. It is also reported that the husband of the deceased Medical Officer had left her some 15 years ago and it is not known whether the children are getting any help from him. The deceased Government servant had contributed to the General Provident Fund and the amount that stood towards her credit at the time of her death was Rs. 3,314-4-0. It is reported that the applicant is left helpless after the death of her mother to continue her studies.

In the above circumstances I recommend that the Government may be pleased to grant a sum of Rs. 2,000/- as compassionate gratuity to Miss L.A.Thomas.

Yours faithfully,

for Director of Medical Services.

Sir,

I beg to bring the following few lines for your sympathetic and favourable consideration.

My mother the late Srimathy Satyamma Thomas who was a permanent Assistant Surgeon in the Madras Govt. Service died of heart failure on 22-9-1953. at Mangalore. She passed away when she was nearing the age of retirement after having served the Govt for 26 years from August 1927 to August 1953. Owing to the heavy burden my mother had in supporting her brother's children besides meeting the expenses of her own children (my elder brother and myself) she was unable to save any money for my education nor leave any landed property for my support. My elder brother has not yet secured a permanent job. I am only a student at present in the 3rd year M.B.B.S. class in the Medical College, Vellore. The unexpected and untimely death of my mother has deprived me and my brother of the financial support we were getting from her and has driven us to great pecuniary straits and embarassment. My father is not in a position to support us both.

Under the present circumstances I fear that ~ may not be able to continue my studies which may normally cover three more years, unless I get some financial support from the govt.

In consideration of my mother's unblemished and long devoted service of 20 years under the Govt. and in view of the fact that she expired before getting her pension, I pray that the benevolent Govt. may be graciously pleased to sanction a compassionate gratuity to enable me to continue and complete my medical course. In this connection I wish to state that I have never failed in any class so far and shall do my best to complete the course in three more years.

Thanking you for this act of kindness

I beg to remain,
Sir,
your most obedient servant

L A Thomas.

Reported to the Tahsildar, Mangalore.

2. I held enquiry into this case by T. of the deceased Dr (Srimathi) S. Thomas and the statement recorded from Sri M. Barnabas, the brother of the deceased, are enclosed

(B4)

Enquiry shows that the deceased has got only two children, one son aged about 24 years, Sri George, by one and the other, daughter, aged about 21 years. Sri George Kumari Lilly Thomas is said to be undergoing House Surgeon-course in the Government Hospitals at Madras. Kumari Lilly Thomas is said to be a medical 3rd year student in the Christian Medical College at Vellore.

3. Dr. (Srimathi) S. Jomas died on 22-9-53 at Kankanady

Hospital due to thrombosis (blood pressure) at the age of about
53 years. Her husband Dr. D.E. Thomas is said to be a native
of Trivandrum Cochin State and is working in Trivandrum.
Enquiry shows that the deceased was not on good terms
with her husband since about 15 years. But it is not known
whether he is financing his children. Dr George and Leman
Lilly Thomas. The family, being Indian Christians
is governed by Indian Christian Succession Act. Both the
children are the legal heirs to receive her arrears of
pay etc.

4. Enquiry shows that the deceased was a Civil Assistant
Surgeon in the Medical Service, a gazetted officer in rank, getting
more than Rs 300 per months. She had to maintain solely her two children.
It is quite possible that the children might have been getting
financial help from their father too. The deceased should have substantial
savings in view of her decent pay and very little of expenditure on account of
small family. It is not possible to determine her savings. She has no landed
properties in Kanyakumari ~~the husband Dr D Thomas~~

The address of her husband, Dr. D. E. Thomas may be obtained from Kumari Lilly Thomas or Dr George Thomas / by and further particulars, ~~may~~ if required, may be called for from him. Sri N. Barnabas, the brother of the deceased says that he does not know anything about the financial status of the deceased.

My confidential enquiry shows that the deceased Kumari Lilly Thomas used to get financial help from the sons of Sri N. Barnabas. This point ~~be~~ may be verified ~~with reference~~ by referring the matter to the Principal ~~Medical~~ Christian Medical College Vellore.

The case relates to the recommendation of the Director of Medical Services to sanction a compassionate gratuity of Rs.2,000/- to Kumari L.A. Thomas, daughter of Smt. (Dr.) L.A. Thomas, Asst. Surgeon, Govt. Hospital, Karkal (South Kanara). Dr. Smt. Thomas, died of heart failure on 22-9-1953 after rendering a service of over 24 years. At the time of her death, she was in receipt of a pay of Rs.275/- and a compensatory allowance of Rs.50/- p.m. As she was a Gazetted Officer at the time of her death, no compassionate gratuity is admissible to the daughter. With reference to the instructions in G.O.No.1247, Fin. d.25-11-1949, a case will be deemed to deserve special consideration for the payment of an exgratia grant, if the Govt. servant concerned met her death in the execution of public duty and the family is not eligible for any benefits under the Extraordinary Pension Rules, Madras, or if it is made out that the family of the Government servant is in very indigent circumstances, taking into account the total assets left by him, the number of dependants, their ages etc. A list of cases where the Government have passed orders on the requests for the payment of exgratia grants to the families of officers who died in harness is put up at (R).

The late Asst. Surgeon had not met her death in the execution of public duty and no benefit is, therefore, admissible to her family under the Extraordinary Pension Rules, Madras. She has left behind her, her husband, a son and a daughter. The husband of the deceased had left her some fifteen years ago. Enquiry reveals that the deceased was not in good terms with her husband and that it is not known whether he is financing his children. The son, aged 24 years is undergoing House Surgeon course in the Govt.'s hospital for Women and Children, Madras. He has given his consent for the payment of the

p.t.o.

compassionate gratuity to his sister (the daughter of the deceased). The daughter aged 21 years (applicant) is undergoing M.B.B.S. Course (III year Class) in the Christian Medical College, Vellore. The deceased had not left any property either movable or immovable. She had insured her life, but the policy is reported to have matured long before her death and that the exact amount of the policy is not known to her legal heirs. She was contributing to the G.P.F. and the amount that stood towards her credit at the time of her death was Rs.3,214-4-0. It is reported that the daughter is left helpless after the death of her mother to continue her studies. The D.M.S. has recommended the grant of a compassionate gratuity of Rs.2,000/- to the daughter. H.E.L.A. supported the recommendation. The case may be circulated to M.(F.&E.) and M.(H) for orders whether an exgratia grant will be sanctioned and if so, what amount.
